DARUMA DOLLS

Children in Japan love Daruma dolls because they bring good luck. When you have a new goal to accomplish or a new task to complete, the Daruma doll brings good fortune to you until you're finished.

When starting your new task such as a new school year or a new season for your team, you paint in one eye on your Daruma doll. Your Daruma doll will then bring you good luck until you've reached your goal. Once complete, you paint in the other eye, signifying a job well done.
